TRB TRANSPORTATION RESEARCH BOARD

Conference on

Advancing Transportation Equity

Bridging the Divide Between People, Research, and Practice

Please join us for the inaugural Conference on Advancing Transportation Equity. Conference attendees will:

- Gain awareness and understanding of the concepts and state of the practice of transportation and social equity including policy, rules, and regulations;
- Exchange ideas with peers about mechanisms, such as public-private partnerships, for complementary actions that advance equity;
- Identify best practices, methods and tools for measuring progress towards equity through transportation performance strategies;
- Learn innovative techniques for outreach and engagement with new and existing partners or impacted populations; and
- Frame the future of equity research to address outstanding questions and gaps in practice.

Presented by the [Standing Committee on Equity in Transportation \(AME10\)](#) and numerous co-sponsoring committees.

Interested in learning more about the conference? Please email Erica Blonde at eblonde@HNTB.com or Gary Jenkins at gjenkins@nas.edu
